

## **SUMMER READING REQUIREMENTS**

Students are required to read a book by one of the following authors listed below and keep a journal of story events for each chapter.

### **LIST OF AUTHORS**

Judy Blume	Ann M Martin
Beverly Cleary	Katherine Paterson
Andrew Clements	Dav Pilkey
Jean Craighead George	Mary Pope Osborne
Kate Di Camillo	Jack Prelutsky
Carl Hiaasen	Rick Riordan
David Macaulay	E B White

### **ASSIGNMENT REQUIREMENTS**

For each chapter of the book, students should write a 4-5 sentence summary of events that took place. These summaries should just highlight the most important details about the main character(s) and plot of the story.

If a chapter is very short, or if an event occurs over two chapters, students may then combine those two chapters into just one summary.

**These journals will be used in class during the first trimester to complete a project based on the story read. Journals themselves will be given a “done/not done” grade. They are meant to help students complete the assigned project by giving them a visual reference to look back on.**

**Journals may be written in a notebook, on loose-leaf, or may be typed.**

**If writing on loose-leaf paper, please enclose paper in a small binder.**
